## Deviation from Applicable Standard

**According to applicants declaration this EUT is a class B product**

The above equipment was tested by Compliance Certification Services Inc. for compliance with the requirements set forth in the EUROPEAN COUNCIL Directive 89/336/EEC and the technical standards mentioned above. The results of testing in this report apply only to the product/system, which was tested. Other similar equipment will not necessarily produce the same results due to production tolerance.

This test report shall not be reproducing in part without written approval of Global Certification Corp.
